Bone Appetit is a fundraising event to aid The Bond Between's mission of saving lives of animals and inspiring change. For more than 15 years, we've been fostering meaningful connections between people, animals, and community.

The Bond Between addresses the root cause of animal homelessness with more than a dozen programs. From neonatal puppies to senior hospice dogs, low-cost vetting clinics with tribal partners, fighter fund rescue missions, or respite foster care, we support pet ownership, reinforce existing bonds, and build new bonds. The Bond Between is committed to saving lives and inspiring change.

Your support will help us work towards a world where the bond between people and animals is free of threats, barriers, and limits.
